Memorandum

U. S. SECRET SERVICE

CO-2-34,030

DATE: December 19, 1966

TO : AD Kelley

FROM : SAIC Herman - New Orleans

SUBJECT: Lee Harvey Oswald - Information furnished by Attorney Dean Andrews
Andrews, Jr., New Orleans

This is to confirm long distance call received from Inspector John W. Rice on December 14, 1966, advising of a call received at his home at approximately 5:30 P. M., December 13, 1966, from New Orleans Attorney Dean Adams Andrews, Jr., previously interviewed in this case, subject of report dated December 6, 1963, by Mr. Rice who was then Special Agent in Charge of the New Orleans Office. Inspector Rice stated that Mr. Andrews claimed to have some new information to indicate that Oswald had acted as an agent for someone else and stated he "is now 40% sure that he knows the identity of the person who was responsible for Oswald killing President Kennedy".

Inspector Rice stated he had discussed this matter with you and that you desired report in the case be forwarded for your attention and then to the Intelligence Division.

Several attempts were made last week to reach Attorney Andrews but he was not available at his office. We succeeded in reaching him at his home today and found that he is ill. He was not overly cooperative and requested that interview with him be deferred until a later date.

Report will be submitted when the interview can be completed.
